The franchise waste haulers mailed bills and statements of nonpayment to each owner of record in accordance with Section 9 of Riverside County Ordinance 745. In addition, new notification procedures, as approved by the Board, were added to ensure property owners are aware of the requirement for solid waste collection and that they are responsible for the charges and those of their tenants. The franchise waste haulers forwarded a list of properties with unpaid trash collection fees to the Department of Environmental Health (Department) for special assessment.

A list of parcels that are subject to fee assessment are provided on the attached Exhibit "A." Mailed notice of the public hearing will be sent to the subject property owners by the Department pursuant to Section 12 of Ordinance No. 745.

Upon confirmation by the Board of Supervisors, the cost of unpaid trash collection fees and applicable surcharges will be processed by the Department to make such outstanding fees a special assessment on those parcels listed on the attached Exhibit "A." Upon the property owner's payment of the special assessment, the outstanding trash collection fees will be paid to the franchise waste haulers from the fund account "Payment of Property Owner's Delinquencies for Solid Waste Collection Service."
