BACKGROUND:

Summary

Riverside County Ordinance No. 745 and Resolutions Nos. 04-298, 05-154, 06-063, 06-159 and 06-389 establish a Tax Lien Guaranteed Comprehensive Collection area for the residential properties located within the unincorporated County.

The franchise waste haulers (Haulers) have certified that invoices and statements of delinquent trash collection charges were sent to each owner of record in accordance with Section 10 of Ordinance No. 745. The Haulers have followed the additional notification procedures that include notices sent to both the property owner and tenant. New customers are advised of the responsibility to pay for all trash charges even if the property is occupied by a tenant. The Haulers have provided the certified list of properties with unpaid trash collection fees to the Department of Environmental Health (Department) for special assessment.

Listings of parcels that are subject to the special fee assessment are provided on the attached Exhibit A. A notice of the public hearing has been sent to the subject property owners by the Department pursuant to Section 11 of Ordinance No. 745. The notice provides contact information of the trash hauler so that the property owner can correct any possible billing errors, or pay amount owed prior to the final payment deadline. The notice also provides contact information for the Department so that the property owner can seek answers to any questions they may have. The property owner can pay or reconcile the delinquent trash collection charges on or before July 22, 2022, to avoid the special assessment. On the date of the hearing, Department and waste hauler staff shall be on site to address citizen concerns.

Upon confirmation by the Board of Supervisors, the unpaid trash collection fees will become a special assessment on the property owner's tax bill. The assessment includes a charge of $77 per parcel, as approved in Ordinance 640 (effective July 1, 2022) as an administrative charge by the Department for costs of imposing the special assessment. The Department charges would only be due if the assessment is placed on the property tax bill. After the special assessment is paid and reconciled, the trash collection fee will be forwarded to the franchise waste hauler.

Impact on Residents and Businesses

The regular removal of solid waste from residential properties is a basic sanitation practice that protects both the environment and the public. The mandatory collection of solid waste and the payment for the collection is critical. Residents that have stayed current with their solid waste collection bill would not be affected by this item. Those residents that pay the full outstanding balance owed to the Haulers on or before the cut-off date of July 22, 2022, will not be assessed on their property taxes.
