**BACKGROUND:**

The Desert Ice Skating Group is a non-profit organization that provides and opportunity for economically underprivileged, mentally and physically challenged, and special needs children to experience a sport that they might otherwise not be able to participate.

The 3<sup>rd</sup> Annual Coachella Valley Energy Summit 2011 presented by the Coachella Valley Association of Governments and the Coachella Valley Economic Partnership will take place on May 12-13<sup>th</sup>. The event will focus on renewable energy, sustainability, policy and green jobs in the Coachella Valley and greater Inland Empire.

I would like to use Fourth District Community Improvement funds to assist in these two efforts that will benefit the residents of the Coachella Valley.
