

**SUBMITTAL TO THE BOARD OF SUPERVISORS
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

904A

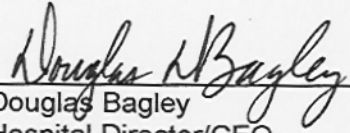

FROM: Riverside County Regional Medical Center **SUBMITTAL DATE:** March 4, 2002

SUBJECT: Research Grant Award from Perinatal Services Network

RECOMMENDED MOTION: 1) Ratify the grant award contract number RFP 04-02-03-R08, effective March 1, 2003; 2) Authorize the Chairperson to sign four (4) copies of the Agreement; and 3) Retain one (1) copy and return three (3) copies of the executed Agreement to Riverside County Regional Medical Center (RCRMC) Administration for distribution.

BACKGROUND: On January 16, 2003, RCRMC Institutional Review Board (IRB) reviewed and approved the research survey application, "Riverside County Mother/Baby Questionnaire" to be conducted at RCRMC in cooperation with the Loma Linda University School of Public Health. This research survey is designed to determine whether certain variables contribute to the success of breast feeding of the newborn. The RCRMC Medical Executive Committee (MEC) subsequently reviewed and gave final approval for this study at RCRMC on February 20, 2003. A grant award of two thousand five-hundred dollars (\$2,500) is available to RCRMC from the Funding Agency, Perinatal Services Network of Loma Linda University Medical Center/Children's Hospital, to help offset RCRMC costs of conducting the survey at RCRMC. The source of these funds is from Proposition 10, administered by the Riverside County Children and Families Commission. The contract has been reviewed as to legal form and content and approved by Riverside County Counsel.
