SUBJECT: DIESEL STORAGE UNIT PURCHASE FOR ARUNDO REMOVAL PROGRAM -  
District I

RECOMMENDED MOTION: That the Board of Directors:

1. Approve the purchase and installation of a diesel storage unit for the Hidden Valley Wildlife Area maintenance compound; and
2. Approve and Direct the Auditor-Controller to make the budget adjustments shown on the attached Schedule A.

**Background:** The Park District is requesting your Board's authorization to purchase a 1,000 gallon above ground storage tank having a UL 2085 certification. The unit is to be placed in the maintenance compound at Hidden Valley Wildlife Area in western Riverside County. The unit will be built and installed in compliance with all applicable building and fire codes. The installed unit will cost \$19,513.00.

By obtaining this new unit, the Park District will service the Arundo Removal Program diesel fleet more effectively and efficiently. The Santa Ana Watershed Project Authority (SAWPA) agreed to and approved the purchase of the diesel storage unit. The purchase of this unit is funded by Proposition 13 grant monies and will have no impact on the County General Fund.
