Department Recommendation:  
Per Executive Office:

- (4) If the owner or whoever has possession or control of the real property does not take the above described action within ninety (90) days of the date of the Board's Order to Abate, that representatives of the Department of Building & Safety, Sheriff's Department, and/or a contractor, upon consent of the owner or receipt of a Court Order authorizing entry onto the real property when necessary under applicable law, shall abate the substandard structure and contents therein, by removing the same from the real property.
- (5) The reasonable costs of abatement, after notice and an opportunity for hearing, shall be imposed as a lien on the real property, which may be collected as a special assessment against the real property pursuant to Government Code Section 25845 and Ordinance No. 725.
- (6) County Counsel be directed to prepare the necessary Findings of Facts and Conclusions that the substandard structure on the real property is declared to be in violation of Riverside County Ordinance No. 457 and a public nuisance, and further, to prepare an Order to Abate for approval by the Board.

**JUSTIFICATION:**

1. An initial inspection was made of the subject property by the Code Enforcement Officer on November 27, 2002.
2. The inspection revealed a substandard structure (residential dwelling with illegal addition) on the subject property in violation of Riverside County Ordinance No. 457 (RCC Title 15). The substandard conditions of the structure included, but were not limited to, the following: exposed and visible plumbing and piping, exposed romex wiring; siding is missing, exposing wiring; illegal second story addition is open and unfinished, lack of proper foundation; general dilapidation and improper maintenance; abandoned, vacant and public and attractive nuisance.
3. Follow-up inspections on January 13, and February 24, 2003 revealed that the property continues to be in violation of Riverside County Ordinance No. 457.
4. Staff and the Department of Building and Safety have complied with the notice requirements set forth in the appropriate laws of this jurisdiction pertaining to the Administrative Abatement Proceedings for substandard structures.
