FLOOD CONTROL AND WATER CONSERVATION DISTRICT BOARD SUBMITTAL  
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA

FROM: General Manager-Chief Engineer      SUBMITTAL DATE: April 1, 2003

SUBJECT: Recommendation to revise the Management Resolution, a Resolution of the County of Riverside and Other Agencies Providing Salaries and Related Matters for Exempt Management, Management, Confidential, and Other Unrepresented Employees, to Include the Post Employment Pay Plan and Add Job Classes to the At-Will Provisions

RECOMMENDED MOTION:

That the Board of Supervisors approve Resolution No. 2003-71, A Resolution of The County of Riverside and Other Agencies Providing Salaries and Related Matters for Exempt Management, Management, Confidential, and Other Unrepresented Employees, to replace and supersede Resolution No. 2002-240.

JUSTIFICATION:

This recommended action would update the Management Resolution to include a description of the Post Employment Program, recently approved by the Board to provide for health savings accounts and special pay accounts for employees who separate from County service; and, would add certain job classes to the at-will section of the Resolution. Attachment A, an excerpt of all the recommended changes, includes a list of the upper level administrative positions for which a new at-will designation is proposed. Accomplished service in these deputy director level positions is critical to the mission of the affected law enforcement and health service departments. In addition, new language has been amended to reflect the change in mileage reimbursement consistent with that approved by the employee unions.
