CONTROVERSIAL ISSUES: Water supply for the proposed lake.

BACKGROUND: The applicant requested a continuance at the January 22, 2003 Planning Commission to the February 19, 2003 Planning Commission. At the January 22, 2003 hearing, concerns were raised in regards to water availability. At the time of the EIR Addendum distribution the Eastern Municipal Water District "Water Supply Assessment" was not included for review, which describes the necessary information for the availability of water supply for the project site. The "Water Supply Assessment" has
