

**SUBMITTAL TO THE BOARD OF SUPERVISORS  
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

**FROM:** Supervisor Venable

**SUBMITTAL DATE:** June 3, 2003

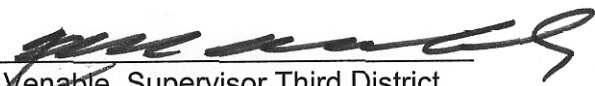

**SUBJECT:** Allocation of Third District Developer Agreement Funds to the Hemet Library Foundation.

**RECOMMENDED MOTION:** That the Board join with me to:

- 1) Approve the use of \$25,000 of Third District Public Facilities Developer Agreement Fund No. 30558 to give to the Hemet Library Foundation;
- 2) Direct the Executive Office to transfer \$25,000 from Third District Public Facilities Developer Agreement Fund 30558-1103500000 to Mitigation Operations Fund No. 22550-1103500000;
- 3) Direct the Executive Office to process payment of \$25,000 from Mitigation Operations Fund No. 22550-1103500000 to the Hemet Library Foundation.

**BACKGROUND:** The City of Hemet is finalizing the construction of a new public library. This library is part of the Riverside County library system in conjunction with Library Systems and Services, Inc. (LSSI). This new world-class library is over 50,000 square feet, and its Grand Opening is slated for June 21, 2003.

The Hemet Library Foundation, formed in 2000, is currently raising funds for the furniture, fixtures, and equipment for the new library. The Foundation is especially concerned with providing services and assistance to the children that will visit this library. The children's area alone is approximately the same square footage at the City's current library, and includes a state of the art computer system, homework areas and wonderful community use rooms. Therefore, I would like to use Third District Public Facilities Developer Agreement funds to help the Foundation enhance the children's portion of this library by providing all the necessary equipment to make it truly meet the needs of the area's young residents.
