BACKGROUND: Adoption of Resolution No. 2003-257 appoints the Director of the Transportation Department as the Engineer to prepare a Report regarding the proposed annexation of Zone 29 into Landscaping and Lighting Maintenance District No. 89-1-Consolidated (L&LM Dist. No. 89-1-C).

Resolution No. 2003 -258 declares the Board's intention of ordering the annexation of Zone 29 into L&LM Dist. No. 89-1-C. Annexation of Zone 29 into L&LM Dist. No. 89-1-C will fund the maintenance and servicing of landscaping improvements within public right-of-ways located northeasterly of Grand Ave. easterly and westerly of Trinity Way in the Wildomar area and includes 130 single-family residential lots.

The proposed budget of fiscal year 2003-2004 for Zone 29 is \$9,100.00 that will result in an assessment for fiscal year 2003-2004 within Zone 29 of \$ 70.00 per parcel. The annual assessment will be adjusted annually by the greater of 2% or the cumulative percentage increase in the CPI-U, if any, as it stands as of March of each year over the base index for March of 2003.

Consistent with the Board's direction regarding compliance with Article XIID of the California Constitution and the Landscaping and Lighting Act of 1972, the attached resolutions have been prepared and a public hearing scheduled for 10:00 a.m. on July 29, 2003 to receive testimony for and against the proposed assessment. Each property owner within the proposed Zone 29 will receive a notice of the public hearing and mail-in ballot, an impartial analysis, a copy of Resolution No. 2003-258 and an information sheet.

All ballots must be returned prior to the conclusion of the public hearing. If, at the time designated for the tabulation of the ballots, the ballots submitted in favor of the annexation and levy of the assessment exceed the ballots submitted in opposition of the annexation and levy of the assessment of Zone 29, Zone 29 will be annexed into L&LM Dist No. 89-1-C.
