SUBMITTAL TO THE BOARD OF SUPERVISORS
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA

FROM: Waste Management Department

SUBMITTAL DATE: July 9, 2003

SUBJECT: First Amendment to the Consultant Agreement with GeoLogic Associates to provide additional professional services at the Edom Hill Landfill.

RECOMMENDED MOTION: That the Board approve the First Amendment to the Consultant Agreement with GeoLogic Associates and authorize the Chairman to execute the amendment on behalf of the Department.

BACKGROUND: On May 20, 2003, the Board approved and executed a Consultant Agreement between the Department and GeoLogic Associates for final cover professional design services for the Edom Hill Sanitary Landfill for \$8,576.00. Because the initial study results indicate that on-site material will not be acceptable without blending with some off-site material, additional professional services are required to complete the alternative final cover design for the Edom Hill Landfill. Past Department practice has been to issue purchase orders for professional services for projects not expected to exceed \$25,000.00 after obtaining competitive bids based on an RFP. Department policy was recently amended to process all professional service awards and amendments through the Purchasing Department or directly to the Board for approval depending on the estimated total annual compensation to the vendor. This change provides a clearer representation of total payments by the Department to any single entity for the professional service providers during a fiscal year.

The following is a summary of work and cost currently being conducted by GeoLogic Associates for County landfill sites:

	Landfill Site	Project Description	Estimated Cost	Start Date	Estimated Completion Date
Original Agreement	Edom Hill	Consultant Agreement to provide Alternative Final Cover Design and Evaluation	\$8,576.00	May. 2003	Jun. 2003
Addendum No. 1	Edom Hill	Consultant Agreement to provide an Amended Alternative Final Cover Design and Evaluation	\$7,489.00	Jul. 2003	Aug. 2003
		<u>TOTAL</u>	\$16,065.00		

The proposal from GeoLogic Associates, dated June 16, 2003, for the additional professional services for the scope of work covered under addendum No. 1 is attached to the First Amendment to Consultant Agreement as Exhibit A.

This project is budgeted in Fund 40200, Department ID 4500100000, Program 99904, Class 1360, Account 544820.
