

**SUBMITTAL TO THE BOARD OF SUPERVISORS
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

814B

FROM: TLMA - Transportation Dept.

SUBMITTAL DATE: August 11, 2003

SUBJECT: Resolution 413-533 to Establish No-Parking Zones on Stanford Street; and on Thornton Avenue, Hemet area

RECOMMENDED MOTION:

That the Board adopt Resolution 413-533 to establish No-Parking Zones on Stanford Street between the hours of 7 a.m. and 4 p.m. on school days, and on Thornton Avenue between the hours of 9 a.m. and 4 p.m., in the Hemet area, as described in attached Resolution 413-533.

BACKGROUND:

The Transportation Department was contacted by residents who complained that vehicles from sporting events at the adjacent Hemet High School are being parked on Thornton Avenue blocking driveways, restricting sight distance at intersections and causing congestion in the neighborhood.

Transportation Department staff conducted a field review of the site and determined that the proposed no-parking zones will improve sight distance, traffic safety and operations at the intersections and driveways on Thornton Avenue.

Based on a survey of the residents, the majority of the residents support a no-parking zone on Thornton Avenue. All of the affected residents have been informed of these proposed no-parking zones.

BACKGROUND: (continued)

The principal of Hemet High School also requested to modify the existing parking restrictions on Stanford Street between Stetson Avenue and Thornton Avenue to allow parking on the west side of Stanford Street between the school service driveway and Thornton Avenue.

Based on this review, the Transportation Department recommends approval of these No-Parking Zones on Thornton Avenue, and the modified No-Parking Zones on Stanford Street.

The Transportation Department staff has contacted the San Geronio Pass Area office of the California Highway Patrol regarding the proposed zones.

County Counsel has approved this resolution.
