FROM: General Manager-Chief Engineer SUBMITTAL DATE: August 19, 2003

SUBJECT: Water Resources Investigations
U.S. Department of the Interior, U.S. Geological Survey
Joint Funding Agreement

832B

RECOMMENDED MOTION:

- 1) Approve the agreement between the U.S. Department of the Interior, U.S. Geological Survey Water Resources Division and the District which provides joint funding for water resources investigations in the District's service area;
- 2) Authorize the Chairman to execute the agreement documents on behalf of the District; and
- 3) Authorize the Purchasing Department to issue a purchase order on behalf of the District.

JUSTIFICATION:

The agreement is necessary to provide for the on-going joint funding of operation and maintenance of twenty-one (21) stream gauging stations and to review and publish stream gauge records within the District's service area.

County Counsel has approved the agreement as to legal form.

FINANCIAL:

Sufficient funds, \$166,725, are available within the Hydrology budget, Fund 48000 Dept. ID 947240, for FY 2003-04.
