BACKGROUND:

Since 1996, the County of Riverside has submitted a consolidated application to HUD on behalf of homeless project sponsors that provide services for homeless persons in Riverside County. As a result of the 1999 Continuum of Care Homeless Assistance Consolidated Application from the County, HUD has approved U.S. Veterans' Inland Empire Veterans Treatment Program.

The Riverside County Continuum of Care Consortium's mission is to develop and maintain a seamless system to assist homeless persons and families in Riverside County in achieving self-sufficiency and finding affordable permanent housing. For those that are not able to achieve self-sufficiency due to illness, age, or infirmity, help them find appropriate care and affordable permanent housing to the extent that they are willing to accept assistance. The Continuum's approach provides a comprehensive foundation for a service delivery system that provides a balance of outreach, prevention, emergency, transitional, and permanent housing with necessary support service resources to move homeless persons and families into the mainstream of society. The Continuum is made up of all of the governmental, non-profit, faith based and private institutions providing housing, supportive services, outreach, and prevention services to the homeless within the County.

On September 25, 2001, the Board approved the Grant Agreement (Agenda 3.32) between the County of Riverside and the Department of Housing and Urban Development for a project submitted by U.S. Vets to provide supportive services as follows:

Recipient Name	Agreement Term	Project and Type of Service	Amount
U.S. Veterans Initiative	3-Year	<u>Inland Empire Veterans Treatment Program.</u> U.S. Vets will provide 24-hour on-site supportive services that will enable homeless participants that are veterans of the U.S. Military Service to develop life skills that will allow them to live independently.	\$749,700

FINANCIAL DATA:

No County General Funds are required. The budget for the three (3) years is broken down as follows: Year 1 - \$249,900; Year 2 - \$249,900; and Year 3 - \$249,900. The total agreement amount is \$749,700.
