**BACKGROUND:**

The Agreement before the Board today provides for 90 days of street sweeping in CSA 152. An RFP was mailed out to five street sweeping companies of which one response was received from Interstate Street Sweeping. This temporary contract is required because the previous service provider was unable to fulfill the requirements of the long-term contract. County Transportation Department will issue an RFP for a new long-term street sweeping contractor. Agency staff recommends that the Assistant County Executive Officer/EDA be authorized to execute the temporary street sweeping contract in the amount of \$75,000.00.
