COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

FROM: Waste Management Department

SUBMITTAL DATE:
October 7, 2003

SUBJECT: First Amendment to the Consultant Agreement with Converse Consultants for additional Professional Services at the Lamb Canyon Sanitary Landfill.

RECOMMENDED MOTION: That the Board approve the First Amendment to the Consultant Agreement with Converse Consultants and authorize the Chairman to execute the agreement on behalf of the Department.

BACKGROUND: On July 29, 2003 the Board approved and executed a Consultant Agreement between the Department and Converse Consultants to provide Construction Quality Assurance (CQA) Services during the landslide slope repair at the Lamb Canyon Landfill for a total cost of \$7,835.00. Additional CQA Services were required during this repair work due to variations in the geological condition encountered within the landslide area. The observed geology variations resulted in a large increase in the earthwork quantities required for this work. The cost of the additional CQA Services amounted to \$4,982.50.

In addition, under the terms of the original agreement, Converse has been asked to perform two additional tasks beyond the original scope of work. The primary reasons for approaching Converse with a request to submit a proposal for the additional CQA Services include the following: 1) Converse was originally selected based on a competitive bid process, and 2) Converse is already on-site performing CQA services on the landslide remediation work. The following is a summary of the two additional CQA Services and associated costs:
