

**SUBMITTAL TO THE BOARD OF SUPERVISORS
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

129

FROM: Bob Doyle, Sheriff-Coroner-PA

SUBMITTAL DATE:
01/13/04

SUBJECT: Approval of the Purchase of Palm Print Equipment
For Riverside CAL-ID from a Sole Source Vendor

RECOMMENDED MOTION: Move that the Board of Supervisors authorize the Purchasing Agent to purchase equipment from Identix Inc. in the amount of \$401,007, without securing competitive bids, in accordance with Ordinance 459.4. (Attachment A)

BACKGROUND: The CAL-ID Remote Access Network Board approved the implementation of an upgrade to existing fingerprint identification systems in Riverside County that would enable the capture, storage, printing and transmission of palm prints. Working in conjunction with San Bernardino CAL-ID and the Department of Justice (DOJ), Riverside CAL-ID has already upgraded its storage computers to allow for palm print retention and purchased equipment to search latent palm images in DOJ's new California Automated Palm Print System (CAPPS).

C.E.O. RECOMMENDATION:

APPROVE

County Executive Office Signature *Sally A. Weaver*

Dept't Recomm.: Consent Policy
Per Exec. Ofc.: Consent Policy

The Sheriff's Department will be using Identix Inc. for this equipment purchase, because it is the only vendor that manufactures a full-scan palm capture device that also captures fingerprints and is compatible with our existing network. Additionally, it has manufactured equipment that allows us to upgrade to the new system and still maintain our present compatibility with our NEC AFIS/DAS Archive system. On May 21, 2002, the Board approved Identix Inc. as the sole source vendor for the purchase and maintenance of livescan equipment.

In addition to 11 palm capable livescan devices that will be placed at County detention centers, jails, juvenile halls and the Corona and Palm Springs Police Departments, the Sheriff's Department will purchase three palm-capable "store and forward" computer servers, a print server and two palm-capable printers for use at CAL-ID.

Price Reasonableness: Identix Inc. will offer the County a trade-in allowance on old equipment of \$22,000 and a discount of \$98,195 off the current GSA/CMAS price list. Identix offered this discount because it consolidated San Bernardino County's purchase of 11 units with Riverside County's, for a total purchase of 22 units. Additional savings will be realized in equipment maintenance as the new equipment is installed.

This budgeted purchase will be made entirely with AB 879 funds, a \$1 surcharge on County vehicle registration that is earmarked for the replacement and upgrades of the local automated fingerprint identification system.

Sub-total for Extended Quantity, All Systems, Components and Services: \$ 488,250 \$ 79,710

Trade-in Allowances (11 TP-600 OS/2 systems): \$ (22,000.00)

Additional Discount Applied: \$ (98,195.00)

Sales Tax (Estimated; if applicable): 7.75% \$ 28,802.10

Total for Freight FOB Minnetonka, MN: \$ 4,150.00

Total for Extended Quantity System Configuration including Freight & Sales Tax: \$ 401,007.10

General Terms and Conditions:

- 1) Products are warranted against defects in materials and/or workmanship for a period of one (1) year from the date of installation.
- 2) Warranty service level quoted in this quotation is as noted in the pricing above.
- 3) Prices do not include any provisions for taxes (if any), which are the responsibility of the purchaser.
- 4) Terms of payment: net thirty (30) days from the date of shipment.
- 5) Prices exclude any provision for engineering labor service charges (labor) incurred by the purchaser during the warranty period, unless such charges are the direct result of defects in materials or workmanship. Engineering service charges subsequent to the warranty period (both parts and labor) are the responsibility of the purchaser. A maintenance contract for the system is recommended and is available from Identix Incorporated.
