FROM: Supervisor Roy Wilson

SUBMITTAL DATE:

SUBJECT: Riverside County Fair and National Date Festival

RECOMMENDED MOTION: That the Board of Supervisors authorize use of the County parking lots at the Indio CAC and the Larson Justice Center for parking during the weekends, holiday, and nights of the Riverside County Fair and National Date Festival, February 13-22, 2004.

BACKGROUND: Fair management is requesting use of the parking lots at the Indio CAC and Larson Justice Center, near and adjacent to the County Fairgrounds, for paid parking. The parking lots are needed during the two weekends, the holiday, and evening (from 5:30 p.m. to 10:00 p.m.) of the Fair's annual run, specifically, February 13 through February 22, 2004.

Since this involves weekends, holiday, and evenings, the impact to public use of the parking lot will be negligible.
