SUBJECT: FAST TRACK STATUS FOR A COLLEGE PREPARATORY HIGH SCHOOL

RECOMMENDED MOTION: That the Board of Supervisors grant fast track status to a college preparatory high school in accordance with Board Fast Track Policy A-32.

BACKGROUND: The Economic Development Agency staff has received a request for Fast Track status from Xavier College Preparatory High School, a private non-profit corporation developed for the construction of a private college preparatory high school. The project will sit on a 96 acre site, north of Interstate 10, on the east side of Chase School Road in Thousand Palms.

At completion, the school will serve 1,200 students and will have a teaching staff of approximately 50 and approximately 25 support staff. The campus will include administrative offices, classrooms, library, gymnasium, performance arts building, and athletic fields and ancillary facilities. In order to assist the applicant in expediting the project approval and permit processing, I am recommending that Fast Track status be granted to this project.
