

**SUBMITTAL TO THE BOARD OF SUPERVISORS
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

106 B

FROM: TLMA - Transportation Department

SUBMITTAL DATE:
February 2, 2004

SUBJECT: Freeway Agreement I/15 at Galena Street Interchange Date Correction

RECOMMENDED MOTION: That the Board approve the correction to the first page of the subject Freeway Agreement, correcting the date of "March 25, 1986" in all references to the previous Freeway Agreement as "November 25, 1986" and that the effective date of the subject agreement is still the same, January 7, 2003.

BACKGROUND: The County of Riverside is the lead agency for the new Galena Street Interchange to be located on Interstate 15 between the existing Bellegrave Avenue Overcrossing and the State Highway 60 / Interstate 15 Interchange. Since the construction of the proposed interchange will be a new connection to the Interstate 15, a new freeway agreement has been entered into with the State of California on January 7, 2003. The new Freeway Agreement prepared by the State defines the terms and conditions of establishing a new interchange connection to the Interstate 15 at Galena Street and supersedes the previous Freeway Agreement dated November 25, 1986. However, in the State's agreement text, all references to the previous agreement incorrectly read March 25, 1986 instead of the correct date of November 25, 1986. The minute order of the County Board of Supervisors approving the agreement has also cited the incorrect date based on the agreement text.

Therefore, the State Department of Transportation is requesting County's agreement for the correction to the first page of the current Freeway Agreement to reflect the said date revision.
