

**SUBMITTAL TO THE BOARD OF SUPERVISORS
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

215

FROM: Riverside County Regional Medical Center

SUBMITTAL DATE:
1/29/04

SUBJECT: Amendment to the agreement between Sourcecorp Healthserve and RCRMC.

RECOMMENDED MOTION: That the Board of Supervisors:

- 1) Ratify the fourth amendment to the agreement between Sourcecorp Healthserve and RCRMC effective as of July 1, 2003;
- 2) Authorize the Chairman to execute the amendment;
- 3) Direct the Clerk of the Board to retain one (1) original and return two (2) original copies of the amendment to RCRMC.

BACKGROUND: In the development of RCRMC's Diagnostic Imaging Department it was determined that a new form of imaging would be adopted. This imaging differs in that it utilizes computers to generate, visualize, and store images. As part of this new imaging process a method was required to convert files into permanent computerized storage. After the Request for Proposal process was conducted by County Purchasing and RCRMC, Sourcecorp Healthserve was identified as the sole provider of this service.

Departmental Concurrence

BACKGROUND (Continued):

The Board first approved the agreement on December 16, 1997 item number 3.15, the agreement was first amended by the Board July 20, 1999 item 3.23, a second amendment was approved May 15, 2001, item 3.23, and third amendment approved June 25, 2002, item 3.48.

This fourth amendment is to renew Sourcecorp Healthcare's agreement for an additional year and to provide the vendor with the requested rate increase on the jackets processed. RCRMC's Diagnostic Imaging Department has completed a reengineering of the workflow process to decrease the contracted handling fees. As a result of the decreased handling fees, the combined expense under the agreement with Sourcecorp Healthcare is estimated to be less than previous fiscal years.

JUSTIFICATION FOR DELAY:

RCRMC's Diagnostic Imaging Department has conducted a thorough review and engineered workflow to capture overall cost reduction for this service.
