SUBMITTAL TO THE BOARD OF SUPERVISORS
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA 504

FROM: TLMA/Building & Safety **SUBMITTAL DATE:** March 2, 2004

SUBJECT: Contract for NPDES and Proposed Riverside County Fugitive Dust Reduction Program Professional Services

RECOMMENDED MOTION: That the Board of Supervisors approve the contract with Geopacifica, Inc. for a total contact amount of $840,000, for the period April 1, 2004 through June 30, 2006 and Authorize the Chairman of the Board of Supervisors to execute the contract on behalf of the County.

BACKGROUND:
The Purchasing Department solicited proposals for field and office verification of grading project site compliance with County Ordinance 457 provisions of the National Pollutant Discharge Elimination System (NPDES), and the proposed Riverside County Fugitive Dust Reduction Program with respect to fugitive dust and the requirements of the Air Quality Management District (AQMD). The needed services involve verification of grading projects compliance, in all the County unincorporated areas, having one acre or more of disturbance. A high degree of independent judgment and coordination on the part of the consultant is recognized as being a critical element. A consultant having a solid, proven, working knowledge of NPDES requirements and fugitive dust mitigation is required. The structural plan check, grading and building permit fees and deposits by developers will be used to pay for all of the contractor's charges.

The proposal submitted by Geopacifica, Inc. received the highest evaluation rating. It is estimated Geopacifica, Inc. will earn the following contract amounts,

Geopacifica:	Balance of FY04 = $120,000
	FY05 = $360,000
	FY06 = $360,000
	Total $840,000

Jim Miller, Director of Building & Safety
