BY 

- 1 1. The proposed amendment would specifically change the land use designation on 20.01
2 acres within Specific Plan No. 106 from "Very Low Density Residential, 1-acre minimum
3 lot size," to "Medium Density Residential, 7,200-square foot minimum lot size."
- 4 2. The proposed amendment is associated with Change of Zone Case No. 6804 and Tentative
5 Tract Map No. 31119, which were considered concurrently at the public hearing before the
6 Planning Commission and Board of Supervisors. Change of Zone Case No. 6804 proposes
7 to change the zoning on the proposed amendment site from R-A-5 (Residential
8 Agricultural, 5-acre minimum lot size) to R-1 (Single-Family Residential, 7,200-square
9 foot minimum lot size). Tentative Tract Map No. 31119 proposes to divide 20.01 acres into
10 31 single-family residential lots, one detention basin lot and related streets and
11 infrastructure.
- 12 3. The proposed amendment and related cases would be consistent with the existing
13 adjacent land uses within the specific plan.
- 14 4. The following potentially significant environmental impacts associated with the proposed
15 amendment and related cases were identified in Environmental Assessment No. 39045:
16 agricultural resources, air quality, biological resources, cultural resources, geology/soils,
17 hydrology/water quality, land use/planning, noise, public services, recreation, and trans-
18 portation/traffic. These impacts would be avoided or substantially lessened (reduced to a
19 level of insignificance) by the mitigation measures listed in the environmental assessment,
20 and project conditions of approval.

21 **BE IT FURTHER RESOLVED** by the Board of Supervisors that:

- 22 1. The proposed amendment would be consistent with the intent, design and mitigation
23 approved for Specific Plan No. 106.
- 24 2. The proposed amendment would be consistent with the applicable policies of the
25 Comprehensive General Plan.
- 26 3. The proposed amendment would not have a significant effect on the environment.

27 **BE IT FURTHER RESOLVED** by the Board of Supervisors that it has reviewed and considered
28 Environmental Assessment No. 39045 in evaluating the proposed amendment, that Environmental

1 Assessment No. 39045 is incorporated herein by reference in its entirety and that the Mitigated Negative
2 Declaration therefor is hereby adopted.

3 **BE IT FURTHER RESOLVED** by the Board of Supervisors that Amendment No. 13 to Specific
4 Plan No. 106, on file with the Clerk of the Board, including the final conditions of approval and exhibits,
5 is hereby adopted as the Amended Specific Plan of Land Use for the real property described and shown in
6 the plan, and said real property shall be developed substantially in accordance with the plan as amended,
7 unless the plan is repealed or further amended by the Board.

8 **BE IT FURTHER RESOLVED** by the Board of Supervisors that copies of Amendment No. 13
9 to Specific Plan No. 106 shall be placed on file in the Office of the Clerk of the Board, in the Office of the
10 Planning Director and in the Office of the Building and Safety Director, and that no applications for sub-
11 division maps, conditional use permits or other development approvals shall be accepted for the real
12 property described and shown in the plan, as amended, unless such applications are substantially in
13 accordance therewith.

14 **BE IT FURTHER RESOLVED** by the Board of Supervisors that the custodians of the
15 documents upon which this decision is based are the Clerk of the Board of Supervisors and the County
