BACKGROUND: Adoption of Resolution No. 2004-166 appoints the Director of the Transportation Department as the Engineer to prepare a Report regarding the proposed annexation of Location 3 to Zone 24 of Landscaping and Lighting Maintenance District No. 89-1-Consolidated ("L&LM District No. 89-1-C").

Resolution No. 2004-167 declares the Board's intention of ordering the annexation of Location 3 to Zone 24 of L&LM District No. 89-1-C. Annexation of Location 3 to Zone 24 of L&LMD No. 89-1-C will fund the maintenance and servicing of landscaping improvements within public rights of way located southerly of State Highway 79 and westerly of Horizon View St. in the Temecula area and includes 70 single-family residential parcels.

The proposed budget of fiscal year 2004-05 for Location 3 is \$7,000.00 that will result in an assessment for fiscal year 2004-05 within Location 3 of \$100.00 per parcel. The annual assessment will be adjusted annually by the greater of 2% or the cumulative percentage increase in the CPI-U, if any, as it stands as of March of each year over the base index for March of 2004.

Consistent with the Board's direction regarding compliance with Article XIID of the California Constitution and the Landscaping and Lighting Act of 1972, the attached resolutions have been prepared and a public hearing scheduled for 9:30 a.m. on June 8, 2004 to receive testimony for and against the proposed assessment. Each property owner within the proposed Location 3 will receive a notice of the public hearing and mail-in ballot, an impartial analysis, a copy of Resolution No. 2004-167 and an information sheet.

Ballots must be returned prior to the conclusion of the public hearing. If, at the time designated for the tabulation of the ballots, the ballots submitted in favor of the annexation and levy of the assessment exceed the ballots submitted in opposition of said annexation and levy, Location 3 will be annexed to Zone 24 of L&LMD No. 89-1-C.
