COUNTY OF RIVERSIDE, STATE OF CALIFORNIA

FROM: TLMA - Planning Department

SUBMITTAL DATE: May 20, 2004

SUBJECT: Environmental Impact Report Consultant Selection and Hiring Practices

RECOMMENDED MOTION: Receive and file update regarding the implementation of the EIR Selection and Hiring Practices

BACKGROUND: On March 23, 2004, the Board of Supervisors approved a report on the Environmental Impact Report Consultant Selection and Hiring Practices and a revised Memorandum of Understanding, dated 3/11/04. The Board directed that staff report back in 60 days on implementation efforts. As of May 20th, a draft Request for Proposal (RFP) has been prepared. It is anticipated that the RFP will be circulated by the Purchasing Department the week of May 24th. The RFP contains a description of the scope of services needed by the EIR Consultants and establishes a minimum level of qualification for those firms who wish to be included in the County's Official EIR Consultant List. A copy of the Draft RFP is attached to this Form 11. Once the List has been established, it will be included on the Planning Department's Web site, and will be maintained by Planning staff.
