**BACKGROUND:**

Pursuant to the Landscaping and Lighting Act of 1972 and Resolution 2004-220 adopted May 4, 2004, the Board of Supervisors noticed a public hearing for June 22, 2004, to receive testimony regarding the annexation of Street Lighting Zone 23 to Landscaping and Lighting Maintenance District No. 89-1-Consolidated (L&LM Dist. No. 89-1-C). Annexation of Street Lighting Zone 23 will fund providing electricity for streetlights within the public rights-of-way located northerly of Bishop Lane and westerly of Palomar Rd. in the Perris area and includes 1 commercial parcel totaling 0.93 acres.

On May 5, 2004, a notice of the public hearing and mail-in ballot, an impartial analysis, a copy of Resolution No. 2004-220 and an information sheet was mailed to all property owners within Street Lighting Zone 23 proposed for annexation to L&LM Dist. No. 89-1-C. Pursuant to the notice, all ballots must be returned prior to the conclusion of the public hearing.

Notice of the public hearing was also given by publication of a certified copy of Resolution No. 2004-220 in The Press Enterprise at least ten (10) days prior to the public hearing date and by posting a certified copy of the Resolution No. 2004-220 on the official bulletin board customarily used by the Board of Supervisors for the posting of notices and in two other public locations within the County.

Section 53753 of the Government Code has been amended. It requires that the Board after conducting the public hearing designate an impartial person, having no vested interest in the outcome of the proposed annexation, to tally the ballots received by the close of the public hearing at a specified time, date and place.
