

**SUBMITTAL TO THE BOARD OF SUPERVISORS
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

446

FROM: Redevelopment Agency & Transportation

SUBMITTAL DATE:
June 21, 2004

SUBJECT: Resurfacing of 45th Street, Glen Avon

RECOMMENDED MOTION: That the Board of Supervisors approve and authorize the Chairman to execute the agreement by and between the Redevelopment Agency for the County of Riverside and the County of Riverside by and through its Riverside County Transportation Department (RCTD) for the 45th Street Project and make the following findings:

Departmental Concurrence

1. The proposed improvements are of primary benefit to the Jurupa Valley Redevelopment Project Area because it will significantly improve public safety within the Project Area by improving road conditions within the Project Area;
2. No other reasonable means of financing the project are available to the community due to limited public funds, which are insufficient to address all of the road improvements needed in the Project Area;

RECOMMENDED MOTION:

3. The Project will assist in the elimination of physical blighting conditions within the Project Area by substantially improving a road within the Project Area which is currently in poor condition; and
4. Street improvements are identified in the Jurupa Valley Redevelopment Plan.

BACKGROUND:

The 45th Street Project (Project) is located between Agate St. and Vernon Avenue within the community of Glen Avon. This road is heavily used by residents in the Jurupa Valley Redevelopment Project Area and the Project will greatly improve transportation conditions. The Project will include construction, construction survey and related services as detailed in Exhibit "A."

The attached Agreement between the RCTD and the Agency provides funding for the Project in order to facilitate the street improvements. County Counsel has approved the attached agreement and staff recommends approval.

A companion item appears on today's Board of Directors' Agenda.

EXHIBIT "A"

54th STREET from Agate St. to Vernon Ave.

Utility Coordination	\$ 1,000
Environmental Clearance	\$ 1,000
Construction	\$ 53,000
Construction Survey	<u>\$ 2,000</u>
Total	\$ 57,000
