

**SUBMITTAL TO THE FLOOD CONTROL AND WATER CONSERVATION DISTRICT BOARD
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

439B

FROM: General Manager-Chief Engineer

SUBMITTAL DATE:

October 19, 2004

SUBJECT: Purchase of Fixed Asset

RECOMMENDED MOTION:

Approve the purchase of a Geo-Boy brush cutter tractor from a sole source vendor.

BACKGROUND:

The District is requesting authorization to purchase a new Geo-Boy model GBLGP rubber track brush cutter tractor for mowing of heavily vegetated channel inverts. The equipment operates with an extremely low ground pressure, allowing for operation in wet and muddy conditions. As the District continues to move toward environmentally sensitive earthen channels, the Geo-Boy will allow us to more efficiently maintain flood flow capacity.

Riverside County Purchasing and Material Services solicited quotes for the brush cutter tractor through quotation #PUARC493. Closing date was on August 26, 2004. Jarraff Industries was the sole bidder.

FINANCIAL:

Sufficient funding is available in the District's maintenance budget to fund the purchase.
