Background: In 1996, the Redevelopment Agency initiated the Mission Boulevard Revitalization Plan for the unincorporated community of Rubidoux. The key feature of this plan is the beautification of Mission Boulevard through the addition of new landscaping and lighting in the median and sidewalk. Phases 1 and 2 of the beautification project, which are now complete, included the design and construction of a landscaped median on Mission Boulevard between Crestmore Road and Riverview Drive. Phase 3 will complete the Rubidoux Village Downtown Streetscape Plan. Part of this plan includes the following improvements on Mission Boulevard from Crestmore Road to Riverview Drive:

- Decorative street lighting
- Decorative sidewalks, landscaped pop outs and tree wells
- Street furnishings such as benches, bollards, trash receptacles, tree grates and bus shelters

Agency staff recommends that the Board approve the plans and specifications, authorize the Clerk of the Board to advertise for the Notice Inviting Bids.
