JUSTIFICATION:

1. As authorized by California Vehicle Code Sections 22660 and 22661 and California Government Code Section 25845, Riverside County Code Chapter 10.04 prohibits the outside storage of abandoned, wrecked, dismantled or inoperative vehicles on private property and deems the condition a public nuisance. Furthermore, Riverside County Code Chapter 10.04 authorizes the removal and destruction of the vehicles constituting a public nuisance.
2. On November 5, 2003, an inspection was made of the subject real properties by code enforcement officers.
3. The inspection revealed forty-five (45) abandoned, inoperable, wrecked or dismantled vehicles and miscellaneous auto parts on the subject real properties in violation of Riverside County Code Chapter 10.04.
4. Pursuant to the request from real property owner, Clyde E. Smith, a public hearing was held on March 30, 2004 wherein the Hearing Officer determined that all forty-five (45) of the vehicles and motorcycles and miscellaneous auto parts on the subject property constitute a public nuisance in violation of Riverside County Code Chapter 10.04 and ordered all forty-five (45) of the vehicles and motorcycles, and auto parts removed from the properties.
5. An appeal of the Administrative Hearing Order/Decision was filed by Clyde E. Smith. Notices of the appeal hearing before the Board of Supervisors have been given as required by law.
6. Staff and the Department of Building and Safety have complied with the requirements set forth in the appropriate laws of this jurisdiction pertaining to the Administrative Abatement Proceedings for abandoned, wrecked, dismantled or inoperable vehicles.
