

**SUBMITTAL TO THE BOARD OF SUPERVISORS  
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

**FROM:** Supervisor Venable

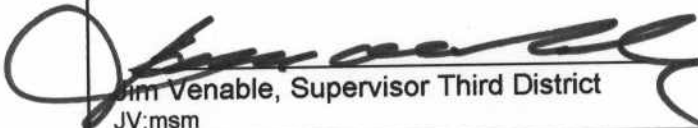

**SUBMITTAL DATE:** October 28, 2004

**SUBJECT:** Allocation of Third District Developer Agreement Funds to the Riverside County Fire Department

**RECOMMENDED MOTION:** That the Board join with me to:

- 1) Approve the use of \$48,000 of Third District Public Facilities Developer Agreement Fund No. 30558-1103500000 to give to Riverside County Fire Department Fund No. 10000-2700200000-767220 for the purchase of twelve (12) Self Contained Breathing Apparatus (SCBAs) to be used by the Menifee Valley Fire Station and the Winchester Fire Station;
- 2) Direct the Executive Office to process payment of \$48,000 from Third District Public Facilities Developer Agreement Fund 30558-1103500000 to the Riverside County Fire Department Fund No. 10000-2700200000-767220;
- 3) Direct the Auditor-Controller to increase the Riverside County Fire Department Fund No. 10000-2700200000-767220 by \$48,000

**BACKGROUND:** One of the main pieces of protective gear needed by our County Fire Department firefighters are Self Contained Breathing Apparatus (SCBAs). The entire department is working on replacing old, outdated SCBAs with new ones that meet current safety requirements. The cost for each SCBA is \$4,000, and six of these important pieces of equipment are needed for each station. Our stations at Menifee Lakes and Winchester are busy stations located in the fastest growing areas of our District. I want to help these two stations get the equipment that they need and use Third District Developer Agreement dollars to do so. I urge the Board to join with me to support this request.
