The Honorable Board of Supervisors

RE: Reimbursement Agreement For The Installation of Rancho California Water District Facilities As Part of County Improvement Project, State Highway 79 at Anza Road, Temecula area.

November 15, 2004

Page 2 of 2

The Water District and the Transportation Department believe that combining the work of the two agencies best serves the interest of the public for cost efficiency and to minimize inconvenience to public traffic.

The Water District has requested that the County include the work as a separate alternate bid schedule in its bid package, and has requested that the County award that schedule of work on the District's behalf. All costs will be borne by the Water District.

The Water District has prepared and has executed the submitted agreement, which has been reviewed and approved by County Counsel.
