

**SUBMITTAL TO THE BOARD OF SUPERVISORS
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

FROM: Supervisor Venable

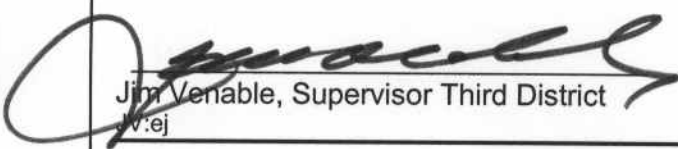

SUBMITTAL DATE: December 6, 2004

SUBJECT: Allocation of Third District Developer Agreement Funds to the Facilities Management Department for repainting and replacement of damaged ceiling tiles in the Riverside County's Emergency Operations Center (EOC).

RECOMMENDED MOTION: That the Board join with me to:

- 1) Approve the transfer of \$18,000 of Third District Public Facilities Developer Agreement Fund No. 30558-1103500000 to the Department of Facilities Management for repainting and replacement of ceiling tiles in Riverside County's Emergency Operations Center;
- 2) Direct the Executive Office to process total payment of \$18,000 from Third District Public Facilities Developer Agreement Fund 30558-1103500000 to Department Facilities Management Fund No. 30100-7200800000-781540.

BACKGROUND: Riverside County Emergency Operations Center (EOC) and the Office of Emergency Services (OES) support the entire County. The EOC facility and staff have been especially helpful in my District because of recent disasters. From damaging El Nino floods to wild land fires, to bark beetle infestations, OES staff and the EOC have been called into action to assist us many times. Riverside County's Emergency Operations Center (EOC) was originally built in the early 1960's, with the funding for construction being divided 50/50 between the federal government and the County. Forty years have come and gone since its construction, and with the ongoing use during numerous emergency situations as well as day-to-day operations, the facility is in dire need of renovation. While the ultimate goal needs to be to relocate the County EOC to a new site, I would like to allocate \$18,000 of Third District developer agreement dollars to assist in repainting and replacement of damaged and worn ceiling tiles in the existing EOC. Any improvement to the infrastructure of the County EOC will be of benefit to the entire Third District. I urge the Board to join with me to support this request.
