

**SUBMITTAL TO THE BOARD OF SUPERVISORS  
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

412 A

**FROM:** TLMA - Transportation Dept.

**SUBMITTAL DATE:**  
December 6, 2004

**SUBJECT:** Construction of Traffic Signal and Lighting at the Intersection of Reche Canyon Road and Reche Vista Drive, Reche Canyon area

**RECOMMENDED MOTION:** That the Board of Supervisors approve the plans and specifications for the construction of a traffic signal and roadway lighting at the intersection of Reche Canyon Road and Reche Vista Drive in the Reche Canyon area of Riverside County. Authorize the Clerk to advertise for bids to be received in the office of the Director of Transportation up to the hour of 2:00 pm, Wednesday, December 29, 2004, at which time bids will be opened.

**BACKGROUND:** The City of Moreno Valley and the County Transportation Department have been collaborating on a project to improve Reche Vista Drive from Perris Boulevard to 200 feet north of the City limits, including the installation of a traffic signal at the intersection of Reche Canyon Road and Reche Vista Drive to reduce delays and congestion during commute hours. This project was to be constructed using State STIP funds, which have now been delayed due to the State budget crisis. The County has an interest in proceeding with the installation of the signal at this time, in advance of the larger project.

Departmental Concurrence

George A. Johnson  
Director of Transportation

The Honorable Board of Supervisors

RE: Construction of Traffic Signal and Lighting at the Intersection of Reche Canyon Road and Reche Vista Drive, Reche Canyon area

December 6, 2004

Page 2 of 2

By Board action of October 21, 2003 (agenda item 3.44) The County of Riverside and the City of Moreno Valley have executed a cooperative agreement that provides for the County to fund the first \$100,000 of the project costs, and for the City of Moreno to fund the remaining project costs.

The intersection is entirely within the County's jurisdiction. Upon completion of construction, the Transportation Department will operate and maintain the traffic signal. Annual traffic signal operating costs are estimated at \$4,500, to be funded from gas tax.

Project No. B3-0735.
