

**SUBMITTAL TO THE BOARD OF SUPERVISORS
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

FROM: TLMA - Transportation Department

411A

SUBMITTAL DATE:
December 6, 2004

SUBJECT: Winchester Road (SR-79) from Thompson Road to Domenigoni Parkway Cooperative Agreement between the County of Riverside and the State of California Department of Transportation (Caltrans) for the preparation of environmental and design documents.

RECOMMENDED MOTION:

That the Board approve and execute the attached Cooperative Agreement between The County of Riverside and Caltrans for the Winchester Road (SR-79) from Thompson Road to Domenigoni Parkway Widening Project. (Caltrans Agreement No. 08-1234).

BACKGROUND:

Departmental Concurrence

An imminent need for roadway improvements on SR-79 exists as a result of a significant increase in traffic in the region around SR-79. In an effort to provide these improvements, Caltrans initiated and completed the preparation of a Project Study Report to provide for additional lanes along the SR-79 corridor. Unfortunately, the project was put on hold by the State because of the current State funding limitations. As a result, the County has elected to assume the lead agency role and is proceeding with the development and funding of this project.

The Cooperative Agreement between Caltrans and the County of Riverside outlines each agency's responsibilities for the development of the environmental and design project documents.

This agreement is necessary for Caltrans to provide project oversight, quality assurance, including appropriate reviews and approvals of submittals by the County, and to cooperate in timely processing of the project. The cost of project oversight and quality assurance will be borne by the State.
