COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

FROM: TLMA- Transportation Dept.

SUBMITTAL DATE:
December 13, 2004

SUBJECT: Amendment Number 1 to the Engineering Services Agreement for Highway Materials Testing Services between the County of Riverside and Kleinfelder.

RECOMMENDED MOTION:

That the Board of Supervisors approve and execute the Amendment to the Engineering Services Agreement for Highway Materials Testing between Kleinfelder and the County of Riverside.

BACKGROUND:

Extension of the Kleinfelder Engineering Services Agreement contract for Highway Materials Testing for another year is needed to enable the Transportation Department to continue to meet the demands of the development community during peaks in construction activity. The initial contract was approved for a three year period commencing March 12, 2002 and ending December 31, 2004, with the option for 2-one year extensions. This amendment will extend the contract for another year until December 31, 2005. There is no proposed increase in the rate structure for this contract.
