RECOMMENDED MOTION: That the Board approve the Amendment to the AZTEC Engineering On-call Engineering Services Agreement between the County of Riverside and AZTEC Engineering, and authorize the Chairman of the Board to execute the same.

BACKGROUND: On March 27, 2001, the Board entered into a On-call Engineering Services Agreement with AZTEC Engineering to provide professional and technical engineering support services necessary to deliver planned road improvement projects as programmed and funded in the Transportation Improvement Program. The terms of the agreement enabled the Transportation Department to identify, negotiate and authorize work assignments to be performed by AZTEC Engineering. This amendment will extend the termination date of the agreement to March 31, 2005 to allow the consultant to complete services that were approved during the authorized contract period.
