

**SUBMITTAL TO THE BOARD OF SUPERVISORS
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

FROM: Supervisor Venable

SUBMITTAL DATE: December 14, 2004

SUBJECT: Allocation of Third District Developer Agreement Funds to the La Vista Recovery and Homeless Center for Women for repairs to their Perinatal Building.

RECOMMENDED MOTION: That the Board join with me to:

- 1) Approve the use of \$9,530 of Third District Public Facilities Developer Agreement Fund No. 30558-1103500000 to give to the La Vista Recovery and Homeless Center for Women for repairs to their Perinatal Building;
- 2) Direct the Executive Office to process payment of \$9,530 from Third District Public Facilities Developer Agreement Fund 30558-1103500000 to the La Vista Recovery and Homeless Center for Women.

BACKGROUND: The La Vista Recovery and Homeless Center for Women has been providing Alcohol and Drug recovery services for women in Riverside County for 30 years. They serve over 220 women each year between the ages of 18 – 90+. The recovery program includes alcohol and drug counseling, non-medical detox, personal recovery planning, parenting, sober living classes and much more. They serve women from all of Riverside County and offer many programs for general recovery, mature women and perinatal.

The perinatal program helps pregnant women wanting sobriety for themselves and their unborn babies. They may come to La Vista during anytime in their pregnancy and stay for up to three months after the baby is born. They are housed in a separate facility where they are afforded privacy and a warm and safe atmosphere. La Vista provided services last year alone for 32 pregnant women. I would like to assist La Vista by allocating these dollars for the repair and improvements to their perinatal building. I urge the Board to join with me to support this request.
