

**SUBMITTAL TO THE BOARD OF SUPERVISORS
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

FROM: Supervisor Venable

SUBMITTAL DATE: December 16, 2004

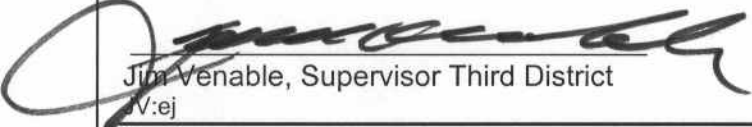

SUBJECT: Allocation of Third District Developer Agreement Funds to Valleywide Parks and Recreation for their Anger Management and Peer Oriented Adolescent Substance Abuse Treatment Programs.

RECOMMENDED MOTION: That the Board join with me to:

- 1) Approve the use of \$12,950 of Third District Public Facilities Developer Agreement Fund No. 30558-1103500000 to give to Valleywide Parks and Recreation for their Anger Management and Peer Oriented Adolescent Substance Abuse Treatment Programs;
- 2) Direct the Executive Office to process payment of \$12,950 from Third District Public Facilities Developer Agreement Fund 30558-1103500000 to Valleywide Parks and Recreation.

BACKGROUND: Valleywide Parks and Recreation offer many programs for the community. The Anger Management program offers sessions for children through adults. This curriculum has been approved for California middle and high schools, and has been accepted for court-referred clients. This program has been used by probation and parole departments to help clients control and manage their anger and reduce violence. Sessions are facilitated by a certified anger management facilitator. The Adolescent Substance Abuse Treatment program offers outreach services by providing outpatient substance abuse treatment for adolescents. The program is a twenty-four week program. Their success rate for this program is 34% which is more than double the national success rate. They currently can only service 20 clients at any given time and have a waiting list of 26 young people. With these funds they will be able to expand this program.

Individual sessions for both programs are \$35.00 per hour. These funds will be used for families who do not qualify for Medi-cal, but do not earn sufficient income to pay for these services and to expand the Substance Abuse Treatment Program. I urge the Board to join with me to support this request.
