

**SUBMITTAL TO THE BOARD OF SUPERVISORS
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

814

FROM: Community Health Agency/Department of Public Health

SUBMITTAL DATE:
December 3, 2004

SUBJECT: *Ratify* of the Agreement with the State Emergency Medical Services Authority and the Riverside County EMS Agency for EMS for Children's Program Evaluation.

RECOMMENDED MOTION: That the Board of Supervisors:

- 1) *Ratify* the Agreement with the State Emergency Medical Services Authority and the Riverside County EMS Agency for the period of July 1, 2004 through June 30, 2005 in the amount of \$31,801;
- 2) Direct the Auditor-Controller to adjust the budget, as detailed in Schedule A; and
- 3) Authorize the Chairperson of the Board to sign five (5) originals of the Agreement on behalf of the County.

BACKGROUND: The Riverside County EMS Agency received funding from the State EMS Authority in October 2002 to evaluate the utilization of emergency medical services for children, so that we can better serve this population. A sub-contract was developed with Biomedical Research Institute at Harbor-UCLA Medical Center (LA BioMed) formerly known as REI at Harbor UCLA to complete the majority of project activities which have included addressing the need for more information on the development, implementation and sustainability of EMS-C components within EMS Agencies in the State of California. With the funding allocation of \$31,801, a subcontract will be developed to complete EMS-C assessments, conduct site visits to the (8) remaining EMS agencies, compile all data and provide a summary report to the State that includes the entire EMS-C Statewide evaluation results.
