# MISSION LAKES LEVEE PROJECT NO. 6-0-0075

The project is located in unincorporated Riverside County west of the City of Desert Hot Springs and northeast of the intersection of Indian Avenue and Mission Lakes Boulevard. The project consists of the construction of approximately 4,300 lineal feet of new levee 11 feet high and reconstruction of 1,200 lineal feet of existing levee 5 feet high. The new levee portion of the project will be bid with alternative waterside slope facing materials which will consist of either portland cement concrete paving 6 inches thick or soil cement revetment 8 feet wide.
