

**SUBMITTAL TO THE BOARD OF SUPERVISORS  
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

1018

**FROM:** TLMA - Transportation Department

**SUBMITTAL DATE:**  
January 31, 2005

**SUBJECT:** Resolution 413-564 to Establish a No-Stopping Zone on Scott Road, Murrieta area

**RECOMMENDED MOTION:** That the Board adopt Resolution 413-564 to establish a No-Stopping Zone on Scott Road in the Murrieta area, as described in attached Resolution 413-564.

**BACKGROUND:** The Transportation Department received a request from the Calvary Chapel for a no-stopping zone on Scott Road. Apparently, church members park on the south side of Scott Road and cross Scott Road to attend church, which is located on the north side. According to representatives of the church, they encourage members to park on church ground as much as possible.

Transportation Department staff conducted a field review of the site and determined that a no-stopping zone on the south side of Scott Road generally opposite to the church will discourage pedestrians from crossing Scott Road, which is highly undesirable due to the volume and speed of traffic on Scott Road.

Based on this review, the Transportation Department recommends approval of the No-Stopping Zone. The Transportation Department staff has contacted the Temecula Area office of the California Highway Patrol regarding the proposed zone.

County Counsel has approved this resolution.
