BACKGROUND:

The CSBG Local Initiative Program provides the core funding for the County's Community Action Program. Revenue derived from the Agreement supports the majority of the operations of DPSS-DCA. With the foundation provided by the Local Initiative Grant, DPSS-DCA is able to attract other resources into the county and focus them on the needs of the County's poor. Serving as the work plan for the Agreement, the 2004-2005 Local Plan, approved by the Board on June 17, 2003 (Agenda #9.10) includes the following goals:

- Provide services, support and opportunities that offset barriers to employment for low-income participants;
- Provide low-income households access to credit/loans for homeownership, household purchases, small business, education/vocational pursuits, or to prevent homelessness;
- Provide assistance to community-based organizations to enhance volunteer participation, training, and support to facilitate community involvement;
- Provide support and assistance to community-based organizations to help create a healthy, safe, violence-free, and economically sound community environment;
- Assist in the support and coordination of utility bill and weatherization assistance and homeless services support;
- Support community partnerships via collaborations and newsletters; and
- Provide capacity building activities to promote effective low-income service distribution.

The Director of DPSS-DCA requests that you approve this Agreement #05F-4633 covering the term January 1, 2005 through December 31, 2005.
