

**SUBMITTAL TO THE BOARD OF SUPERVISORS
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

344

FROM: TLMA - Transportation Dept.

SUBMITTAL DATE:
February 15, 2005

SUBJECT: Emergency Bridge and Road Repair and Protection, Van Buren Boulevard Bridge over the Santa Ana River, West Riverside area

RECOMMENDED MOTION: That the Board of Supervisors receive and file an emergency contract, with the firm of KEC Engineering, that the Transportation Department has entered into on behalf of the County of Riverside.

BACKGROUND: The Director of Transportation has entered into an emergency contract with the firm of KEC Engineering of Corona, California, to perform emergency bridge and road repair and protection work on the Van Buren Boulevard bridge over the Santa Ana River in the West Riverside area. The contract was executed in accordance with authority that the Board has delegated to the Director of Transportation by Resolution no. 93-047, and has been approved as to legal form by County Counsel.

Departmental Concurrence

The Honorable Board of Supervisors

RE: Emergency Bridge and Road Repair and Protection, Van Buren Boulevard Bridge over the Santa Ana River, West Riverside area

February 15, 2005

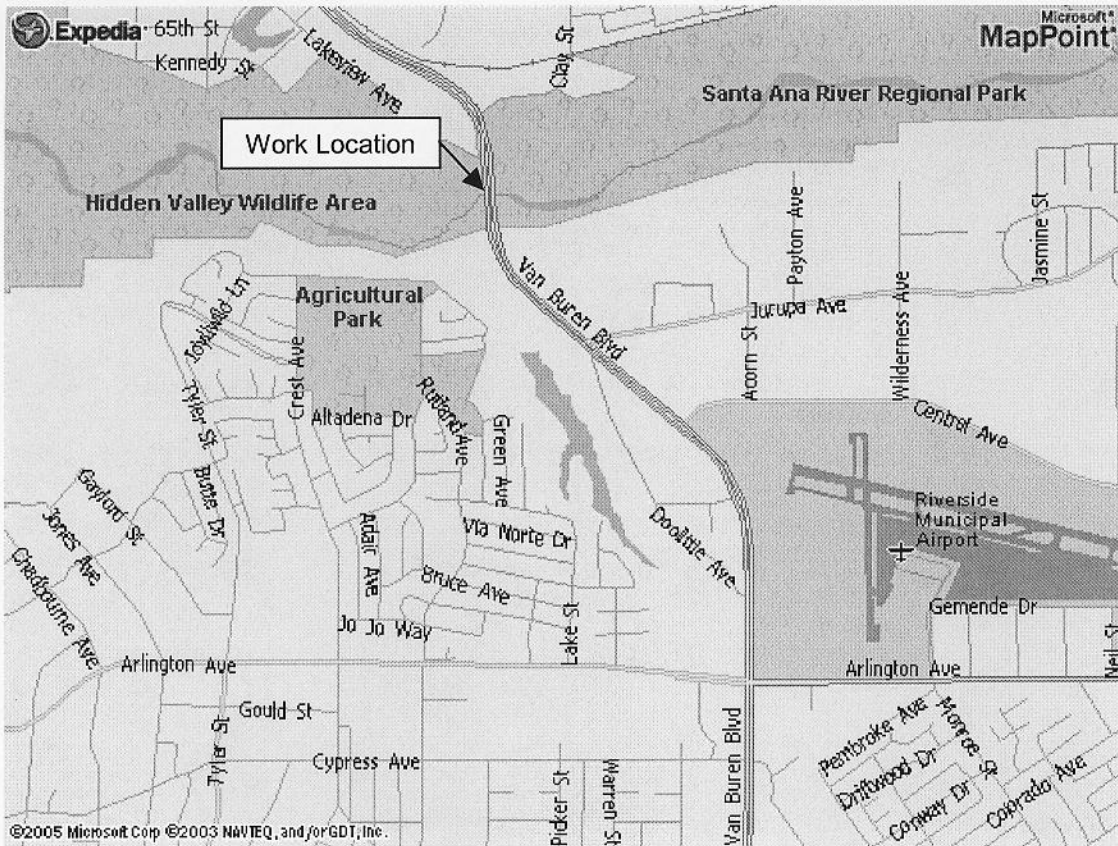

Page 2 of 2

Recent storms have caused damage to the bridge and road at the west end of the Van Buren Boulevard Bridge over the Santa Ana River. Immediate repair of the damaged bridge and roadway was determined to be necessary to safeguard the motoring public and to protect the bridge from further damage due to the anticipated storm on January 26, 2005.

The work was performed in accordance with the Force Account provisions of the Standard Specifications. The work will be funded from Gas Tax.

The emergency work started on January 10, 2005 and was completed on January 26, 2005.

Project no. 05-00039.
