

**SUBMITTAL TO THE FLOOD CONTROL AND WATER CONSERVATION DISTRICT BOARD
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

322 B

FROM: General Manager-Chief Engineer

SUBMITTAL DATE:
March 1, 2005

SUBJECT: NPDES Stormwater Discharge Permit – Implementation Agreement
Between the District, County of Riverside, and Cities of Temecula and Murrieta

RECOMMENDED MOTION: Approve the Agreement and authorize the Chairman to sign the Agreement on behalf of the District.

BACKGROUND: The Implementation Agreement is a requirement of, and is being updated to comply with, the NPDES Municipal Stormwater Discharge Permit (NPDES Permit) issued by the San Diego Regional Water Quality Control Board (Board Order R9-2004-001) on July 14, 2004. The Agreement establishes the responsibilities of each party with respect to the NPDES Permit for the Santa Margarita permit area. The revisions update the Implementation Agreement to incorporate Board Order R9-2004-001 and modify cost sharing provisions to allow for increased funding of regional compliance programs and consulting services necessary to comply with the NPDES Permit.

County Counsel has approved the Agreement as to legal form. The City of Murrieta and the City of Temecula have each executed the Agreement. This matter is also on the County's Board Agenda for approval this same date.

Departmental Concurrence

WARREN D. WILLIAMS
General Manager-Chief Engineer
