

**SUBMITTAL TO THE BOARD OF SUPERVISORS  
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

**FROM:** COUNTY EXECUTIVE OFFICE

**SUBMITTAL DATE:**  
April 5, 2005

**SUBJECT:** Providing support for the Western Riverside Council of Governments operation of the Regional Air Quality Task Force.

**RECOMMENDED MOTION:** That the Board of Supervisors approve an annual contribution to the Western Riverside Council of Governments as support for the operation of the Regional Air Quality Task Force utilizing Riverside County's air quality funds (AB 2766).

**BACKGROUND:** On January 28, 2003, the Board of Supervisors directed the Executive Office to establish a Regional Air Quality Task Force to study and develop measures to mitigate air pollution in the Inland Empire Region. During Board discussion it was suggested that administration for the task force would be more effective if it were led by a regional agency such as the Western Riverside Council of Governments (WRCOG). WRCOG has supported the efforts of the task force from the beginning, and has now assumed the full administrative responsibilities for the operation of the task force. WRCOG is seeking financial support for those efforts.

Since the County is a primary stakeholder in the task force, staff recommends providing a \$5,000 annual contribution from the County's air quality funds (AB 2766).
