

1 Riverside will assume these public safety responsibilities in our County, to prevent the
2 unnecessary victimization of our citizens to sexual predators.

3 **Section 2. Notification.** The State of California Parole Board shall provide sixty (60) days
4 notice to the County of Riverside before releasing any person convicted of a felony sexual offense, and
5 who is subject to the registration requirements of California Penal Code § 290, within the unincorporated
6 area of Riverside County. Said notification is necessary in order that the Riverside County Sheriff's
7 Department will have sufficient time to alert residents to the identity and address of a registrant coming into
8 the community, and ensure that the registrant not be within five (5) miles of any school, preschool, daycare
9 center, religious institution, library, park, recreational facility or any place where minors congregate.

10 **Section 3. Supervision and Monitoring.**

11 **A.** The Judiciary of the State of California shall provide monitoring through duly authorized
12 court personnel (excluding any family members of perpetrator) of any person convicted of a
13 felony sexual offense, and subject to the registration requirements by California Penal Code
14 § 290, who is released within the unincorporated area of Riverside County. Said monitoring
15 requirement would apply to the initial ninety (90) day period of release and placement of a
16 registrant within the unincorporated area of Riverside County and would be at the registrant's
17 expense. In the event that the registrant lacks the financial capacity to pay for participation
18 in the court's monitoring program the registrant shall be placed in a supervised institution
19 provided by the State of California to meet the ninety (90) day monitoring period
20 requirement imposed by this section.

21 **B.** The registrant shall be required to wear a tamper-proof global positioning device at all times
22 such that it will alert local law enforcement authorities when such registrant comes within
23 five (5) miles of any school, preschool, daycare center, religious institution, library, park,
24 recreational facility or any place where minors congregate, without the express permission of
25 a parole officer or a peace officer from the Riverside County Sheriff's Department.
26 Tampering with the global positioning device required by this section in any way to prevent
27 its operation shall constitute a parole violation and a felony offense by the registrant.
28

1 C. The District Attorney may petition the court to seek appropriate relief under the remedies
2 provided by state and federal law to protect the health and safety of members of the public
3 prior to the release any person convicted of a felony sexual offense, and subject to the
4 registration requirements by California Penal Code § 290, who is to be released within the
5 unincorporated area of Riverside County.

6 D. Sexual registrant will not drive a motorized vehicle or be a passenger in a motorized vehicle
7 in the presence of a minor as a condition of parole.

8 **Section 4.** **Severability.** If any portion, provision, section, paragraph, sentence, or word of this
9 Ordinance is rendered or declared to be invalid by any final court action in a court of competent
10 jurisdiction, or by reason of any preemptive legislation, the remaining portions, provisions, sections,
11 paragraphs, sentences, and words of this Ordinance shall remain in full force and effect and shall be
12 interpreted by the court so as to give effect to such remaining portions of the Ordinance. Furthermore,
13 should this ordinance be ruled unenforceable due to preemption or any other cause, the Board of
14 Supervisors hereby converts this ordinance into a resolution included with the following language replacing
15 County of Riverside with State of California:

16 Let it be resolved, that through the initiative process, the following additions and
17 modifications to existing laws and statutes, be amended in language approved by the State Attorney
18 General, so that signatures from registered voters in the state of California can be legally obtained to make
19 these changes strengthening the laws in the State of California pertaining to the protection of the residents
20 of the State of California to the release of known sexual registrants.

21 **Section 5.** This ordinance shall take effect thirty (30) days after its adoption.
