By extending the provisions of the original Cooperative Agreement to Tract 30895, the Developer will be allowed to utilize Eastvale Area Drainage Plan (ADP) fee credits, which the Developer earned by constructing the Eastvale MDP Lateral D-7 storm drain facility, in lieu of paying additional Eastvale ADP fees for Tract No. 30805.

This matter is also on the District's Board Agenda this same date and County Counsel has approved the Agreement as to legal form.
