SUBJECT: 2004 Continuum of Care Consolidated Application

BACKGROUND:

On March 21, 2005 a public notice was filed in the Federal Register announcing the availability of Continuum of Care (Supportive Housing Program, Shelter Plus Care and Section 8 Moderate Rehab) funds through the annual Super Notice of Funding Availability (NOFA) competition.

Since 1996 the County of Riverside has submitted a consolidated application to HUD on behalf of Homeless Project sponsors who provide services for homeless persons in Riverside County. From 1996 through 2003, first through the Economic Development Agency and then through the Department of Public Social Services, a total of approximately \$29,885,696 has been made available through these programs to provide services to homeless persons in Riverside County. In 2004, the County was awarded approximately \$6.9 million. This year the County has been assigned a pro-rata need of \$5.2 million, with an opportunity to receive a bonus of \$700,000 depending upon the amount allocated for permanent housing for the disabled in our first priority project.

This year we are submitting two new applications and requesting funding to renew sixteen projects.

The applications were reviewed and ranked by the Steering Committee for the Housing and Homeless Coalition for the County of Riverside (formerly the Continuum of Care) on May 3, 2005. Since that time, staff has been working with the applicant and renewal agencies to make corrections to their documents. Most of this has been completed; although the new and renewal applicants will remain the same, some final polishing of the application will take place during the next week, with your Honorable Board's approval.

This year's applicants, in priority order, are as follows:
