

**SUBMITTAL TO THE BOARD OF SUPERVISORS  
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

829

**FROM:** TLMA-Transportation Department

**SUBMITTAL DATE:**

June 13, 2005

**SUBJECT:** On-Call Aerial Mapping Services Agreement with the firm of Inland Aerial Surveys, Inc.

**RECOMMENDED MOTION:** That the Board approve the attached Aerial Mapping Services Agreement with Inland Aerial Surveys, Inc. and authorize the Chairman to execute the same.

**BACKGROUND:** The Transportation Department needs aerial mapping/photogrammetry Surveying support services to assist in the delivery of all the necessary road improvement projects identified, and funded in the Transportation Improvement Program(TIP). In addition to the currently identified and funded projects in the TIP, new projects continue to surface. The growth occurring in Riverside County continues to strain our road system and safety and additional capacity improvements have to be provided. The objective is to obtain high quality aerial map services in the most cost effective manner possible as needed.

A request for proposals was advertised in the Press Enterprise Newspaper, and notices were directly mailed to over ninety(90) firms. Nine(9) firms submitted proposals, and the top five(5) firms were interviewed. A panel of representatives from the Riverside County Transportation Department evaluated the written proposals and conducted the interviews.

**SUBJECT:** On-Call Aerial Mapping Services Agreement with the firm of Inland Aerial Surveys, Inc.

Page 2 of 2

Inland Aerial Surveys, Inc. was ranked as one of the top three(3) firms, and has been selected to provide On-Call Aerial Mapping Services. All three(3) firms were invited to contract with the Department, however only (2)two of the firms opted to contract with the Department: Inland Aerial Surveys Inc. and Schmidt Geomatic Mapping. The agreement with Schmidt Geomatic Mapping was approved by the Board previously, and the contractor is currently providing services for the department.

Inland Aerial Surveys, Inc. will be directed to furnish specific project related tasks to support County Staff with the delivery of approved TIP Projects. This contract is for an annual amount not-to-exceed \$100,000 annually. The term is for a three(3)-year term with the County option to renew two(2), one(1) year terms. Funding for these services provided for each assignment will come from the respective project funds. These On-Call Aerial Mapping Services will afford the Department the ability to respond more quickly to the public demands on our road system, as well as obtain high level of quality aerial map services in the most cost effective manner possible, as needed.

The terms of the agreement also provide the County with the option to terminate the agreement within 30 days without cause. All funds have been incorporated in the FY 05/06 Budget are fully reimbursable by the projects. There is no Net County cost associated with these services.
